Giving Made Easier

Discover the convenience of automated giving

We are happy to offer you the convenience of ACH (Automated Clearing House), a new way of contributing to The Walk: The Ministries Of Norwalk United Methodist Church.

By filling out this form and submitting it to the church office, you will be able to have financial gifts transferred electronically and conveniently from your checking or savings account directly to The Walk/Norwalk United Methodist Church.

ACH is a great way to give as it: (1) gets rid of trying to remember that Sunday morning offering check, (2) helps make your giving consistent and easier to track through the year and (3) benefits the ministries of the church through receiving a predictable and consistent income.

If at any time you wish to change your contribution, simply fill out a new form and return to the church office.

Thanks you for your generous and faithful support.
